Village of Stockbridge Utilities e-Bill Form / Sign up

The Village of Stockbridge Water & Sewer Utility offers our customers the choice of receiving their utility bills via e-bill. In order to switch your account from the standard postcard bill to e-bill, the Wisconsin PSC requires the utility to obtain written consent and the customer's signature.

Bills will be from the "domain name" of *ebillwi.com*. All e-bills will be sent with a "return" email address of *no-reply@ebillwi.com*. This is a web site owned by Workhorse Software and used only to deliver the e-bill to the customers. Customers should NOT click on Reply if they have questions about your bills. Any questions about the bill should be directed to the utility email address of *villageofstockbridgeutilities@gmail.com*. Once you sign up for e-billing, you would then not receive a postcard bill any longer.
