Village of Stockbridge Utilities e-Bill Form / Sign up

The Village of Stockbridge Water & Sewer Utility offers our customers the choice of receiving their utility bills via e-bill. In order to switch your account from the standard postcard bill to e-bill, the Wisconsin PSC requires the utility to obtain written consent and the customer's signature.

Bills will be sent from the villageofstockbridgeutilities@gmail.com. Our Utility billing system Workhorse Software generates the e-bill to the customers. Due to the large quantity of e-bills being sent out to our customers at one time, your system may consider our emailed e-bill as spam. If you do not receive your e-bill please look in your spam folder. Once you sign up for e-billing, you would then not receive a postcard bill any longer.
